

POND STORY

Draw a cutaway of a pond and a lake in the squares.

How are ponds and lakes different?

Circle **YES** or **NO** for each statement.

YES NO There are big waves in a pond.

YES NO Mud or clay is on the bottom.

YES NO Animals live only in the water.

YES NO Some plant roots are in the mud.

YES NO Some plants live above and below the water.

YES NO Lily pads grow only near the shore.

YES NO Ponds can be very deep.

Describe each of the following ponds.

Cypress

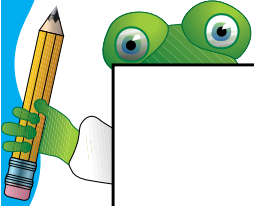

Stream

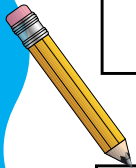

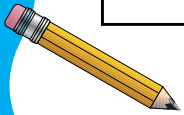

Farm

What is succession?

Draw pond succession and describe what happens in each stage.

My best friends live in Ponds.
